

MR. LUXANDO

make the best manhattan
I leave the law behind

and at closing time
wrap my arms around...

(~~some~~ my words play games but they never lie)

... that speaks to me

Looking back at all i've done

best i could in the 491

paid my dues

but there's too much light for these old shins

so why's it feel like a crime

in at the wrong place

at the right time
