CLOTHES OF THE DEVIL

Walking around in the same clothes as the devil
Told the guys with the guns All I really want is love
My head's a little hazy but my heart is on the level
It's the size of the sun. All I really want is love

$E^m | E^m/G | E^m | E^m/B$

Meanwhile at the Japanese amusement park
we're pairing classic albums up with wine
At the crest of the thrill ride
we pick our favorite starlets to act out all the lines

 $E^m7 | E^7 | A^m/E | F^{\circ}7$

Walking around in the same clothes as the devil
Told the man with the flag to pound it into sand
my head is pretty local but my heart's about to reveal
it's the size of the sun. All I really want is love

$E^m | E^m/G | E^m | E^m/B$

Meanwhile at the Japanese amusement park
we're pairing classic albums up with wine
In the depths of the haunted house
we ~~pull deep upon~~ ^{sink into} our ancestry ~~try~~ ^{try} to set straight all the ~~low~~ ^{low} crimes

The gigs of trash I've climbed atop
to ~~patch~~ this through to you
can you hear me?
or is it only seeing that you do?
The ocean of noise notched
to reveal this progression
will ~~be pass you by?~~ ^{vestigial tail}
~~do~~ ^{here} ~~to~~ admit ~~your~~ transgressions?
I offer my confession

Meanwhile at the Japanese amusement park
we're pairing classic albums up with wine
in the mirrors of the funhouse
we do our best to make sense of our lives
