

Deep dark secret

Jan 28 93

if i say something -
will you promise not respond
(do you promise) if i let you know
what's on my mind - (will you promise
not proceed)

i know your deep dark secret
yes - that really really bad thing
you thought you could hide

: how do i know? well i look and
it shows - ~~what goes~~ you choose to
take defense when no defense is needed
it shows through your clothes - but
its o.k. — i won't tell a soul

i know you didn't mean to confide in me -
but you see, these things just happen

DEEP DARK SECRET

S: (1-28-93)

C: 7-14-93

~~if i tell you something - will you promise
not respond? i should have never
brought this up. it is clearly
too late now~~

~~see there are somethings in
this world that we like to conceal
there are somethings in this life
that never happened well, never mind.~~

[I know your deep dark secret
yes that really really bad
thing you thought (that) you could hide
i know your deep dark secret —]

(i don't mind.)

You couch for greens and blues

we just drop the subject now?
no i don't want to talk about
(but now its way too late)

DDS²

i'm going to tell you something
and i beg you dont respond - no
i dont want to talk now, ~~but now~~
~~its way too late~~
end (but i have)

see there are somethings in this
world ~~that~~ we pretend never happened
there are somethings in this
life we tend to bend the truth about.
(maybe you should have a seat...)

[4]

i know your deep dark secret -
yes - that really really bad thing
you thought you could hide
i know your deep dark secret

[5]

(i dont mind.)

no - i dont want to explain - can
we just drop the subject now?
no i dont want to talk now,
(but now its way too late)

UDS³

see there are some parts of our
lives we choose not to leave behind
there are some ungodly times
we pray they'll never find. (but i have.)

i know your deep dark secret -
yes - that really really bad thing
you thought you could hide
i know your deep dark secret.
(i don't mind)

how do i know? well i look
and it shows. what cues you
choose to take defense when
no defense is needed - (and it
stands) - it shows right through
your clothes - but its ok..
i won't tell a soul

[repeat chorus]

(i know you didn't mean to confide -
but see, i've got a keen eye
i know you would have never told
but it's only brought us closer.)

i haven't seen you for awhile, but
in your absence you still inspire -
(no, it's nothing) - it's not
for you as much as it is
of you

this song is

; ask ^{you} not for water nor for
sky

① you know i haven't seen you for awhile
but in your absence ^(how) you still inspire

③ in my crooked way ^{i care -} ~~i~~ you, can't see
but ; ask you not for water
nor for sky

DEEP DARK SECRET
