

(17)
falling leaves
always (get me) (catch me)
on the subway (slow place) (slow phase)
close place (soul's place)
under eaves (out of phase)

chorus of tv's
short circuit everything
add in now to be
(if I let it be)

then it comes to me (~~it comes to me~~)
across the waves
up on the beach
float
lightbulbs ~~come~~ to me
across the ~~waves~~ cold (warm?)
translucent sea

~~foreigner~~ pleas
pretender pleas
always ^{help} get me on the subway
out of phase

promises like a drawl
enough to satisfy us all
seagulls swallow
the breast milk of them all

toast of (to)

...and that's my brother calling on the phone

rings like a koan
but it's just my brother calling on the phone

~~these~~
~~stranger's~~
~~pretence~~

always land me on the subway
out of phase - oh - this

knows of this (thieves) (stealing)
short circuit everything in me to be
(if i let it be)

but then it hits me like a wall

enough to satisfy is all

Am F
lightbulbs float to me

G across the ^{waves} ~~water~~ from the sea
Am F

G glowing in ^(breathtakingly) ~~a way~~
for a shadow G/D

watch them come to me
(lightbulbs float to me)

~~(tracing)~~ banknotes now they're
~~float to me~~ floating
in the most heavenly patterns

(tracing circles in the sand)
(roman army)

② static of TVs
short circuit everything in me to be
(if i let it be)

① the hum of radio knows of
~~how to~~ the lesson that in me to know
(if i don't let it go)

Midnight Express

but there ^{is} grace after the Fall
enough to satisfy is all

Rehum of radio
holds fast the lesson that we want to know
(if i don't let it go)
static of tv's
short circuit everything we want to be
(if i let it be)

but there is grace after the Fall

~~and~~ there is a meaning in the call
enough to satisfy us all
and there is with or without reason

out of range - oh

falling leaves
always send me through that doorway
into play - oh

but there is meaning in the cell
enough to satisfy us all
and there is grace after the fall

~~there's something sweet about going home~~
~~is that my brother calling on the phone~~
out
i'll trade this summer flesh and bone
if it means i won't be alone

there's something sweet bout going home
and that's my brother calling on the phone
