

**Stay Up Later!**

hit the ground  
head in a splint  
trudgin' through my urban myth

G Am Bm7 C

labor under misapprehension  
cause that baby in me loves depression  
as far as eye can see  
baby what's come over me?

G Am Bm7 C

sleep if you must  
but stay up later!  
put on the cans and rock the faders  
~~sleep now if you must~~  
~~but stay up later!~~  
~~put on your cans and roll~~

up three flights  
in concrete boots  
nosedive into sleep pursuit

up 3 flights in concrete boots  
~~following~~  
~~catching~~ in snail pursuit  
~~catching~~

criss cross past misapprehension  
end up in a cool dimension  
as far as eye can see  
baby won't you visit me?

criss cross past misapprehension  
end up in a cool dimension  
as far as i can see  
half the future's bright for me  
as far as eye can see  
baby come and visit me

sleep if you must  
but stay up later!  
put on the cans and rock the faders  
sleep now if you must  
but stay up later!  
put on your cans and roll

phone pole's flyers peeling  
transmissions hopelessly obscured  
no matter what you might be feeling  
the sunrise ain't deterred

Dm7 | C7 | G | F#7/A

sleep if you must, doll  
but stay up later!  
put on the cans and rock the faders  
sleep now if you must  
but stay up later!  
put on your cans and roll

i used to be afraid to fly  
(always so surprised)
