

get a squirtgun  
galaxie 500 and a car  
OFF the fastest road TAKE the faster road ONTO the fast road ~~go far~~  
X OFF the fastest road TAKE the faster road ONTO the fast road encore

taste your lips  
it's sweat on our cigarette  
~~your dreams will never be the same again~~  
~~after saturday~~  
spelled out in tattoo's bend  
everything is just the way it is

frolic with bambi  
the scenic route is just around the bend  
OFF the fastest road TAKE the faster road ONTO the fast road

taste your lips  
it's sweat on our cigarette  
your dreams will never be the same again  
after saturday  
spelled in tattoo's bend  
everything is just the way it is

...and you know it's just the little things  
that keep me warm up at night  
when the moon ~~crocents its light~~

~~five lights on its car~~  
world spins just right
