?

8 M curves just like matisse
my fountain lonliness — my masterpiece
V2 this is the only note you will recieve from me
8 ~~dont you understand there eyes — there is no the~~
~~heart that cannot see the only admission~~
(as i admit aloud what is, but ~~shouldn't be~~)
X this crime that kills me gives me life —
so what about this swap?   as i go on to
~~committing~~ commit this
touch my arm as i fall out of bed

8 V3 this drink wont slick me out of shackle
8 this girl wont pull me free of chain
V4 so what to do? on this slippery black mountain
top of my days? i cant talk, you dont
know. you dont.   no, you dont know.

C lost in semaphor tonight   its the only way
i can write
lovely ~~XXXXXX~~

decipher without a key

V1 curves just like Matisse
my fountain lonliness, my masterpiece —
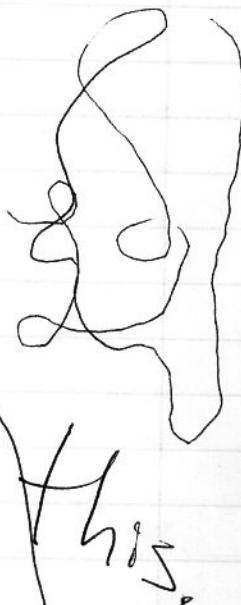

i cannot open my mouth (as you've seen)
i cannot open my heart ___
i give   we cannot be together in this world
Bridge
X ditch ~~XXXX XXXX~~ — make new one
change ~~out of~~ last 4 bars of
each eight bar chorus so it fits

yes, you've got your nightmares i

your heart tugging gently on my fingertips
but i could never give you want you want from me
as i sadly add you to my list of crimes
~~as we commit~~

as we dance out this love the world will
never see
melt a red new artifact

here i am commiting crimes again →

my mouth is shy.

(these lips so shy → im boldest with)
B: this world will never see our hands together; but
through the earthquake — in the submarine
maybe you will be with me (we leave
at 10 to 5) — beneath the blue line

lost in semaphor tonite — ~~empty mind~~
and float to me in sleep ~~where i'll~~ be waiting
~~moon at~~ rise, not again
(smile ~~together under sea~~)

                    hancock peeks
while ~~skyscrapers peek~~ out from the flood
we'll be breathing under water

here our machines just clink together address ff

(3)

when its
moths and rabbits never age
when the ~~moon~~ is over tokyo
~~and your deadlines~~
empty mind and float to me in sleep where ill be waiting
no, its not quite dream, no.   Meet me there. here
(never) our machines just clink together,
(mad antics run new alliance & [?] logic four signals inry...)
new earth waits — pour out
pretty out rondezvous tonite

new earth waits, plan out rondezvous tonite

1C (lost in semaphor tonite) maybe another
rain's new ~~making~~ another run, now,   artifact

2C (sending semaphor tonight) (radio) new earth
waits. plan out rondezvous tonite. (twilight

B

3C (inst w/ Airplane)

i just cant live this way anymore
      and change is ~~just~~ too hard

V1 curves just like Matisse
my fountain lonliness my masterpiece
~~I'm sorry this is the only note you will receive~~
im afraid that this is all i can give you

i've stolen heart from blood

this crime might nail the lid onto my
might just put me 6 feet

nevermind.

B
C (inst)

i ~~know,~~ never talk

curves just like matisse
my fountain lonliness, my masterpiece
~~this is all your gonna get from me~~
~~this is not a simple world~~
crooked pen is all your gonna get from me
this is not a simple world — ~~and~~
~~simple words could destroy me~~ simple lines could
cold wrap around ~~and~~ destroy me   ~~finish~~ me
                                        strangle

this drunk wont slide me out of shackle   and
this girl wont pull me free ~~of chain~~ — so
what to do? on the slippery black mountain
top of my days? i can't talk you dont
know you dont know you dont know

2 (sending)
lost in semaphor tonite — ~~free it comes~~ ~~interesting feelings.~~ ① ARE you ready?
2 (sending)
~~again~~   melt a red new artifact   ② it comes
lost in semaphor tonight — ~~ke~~ new   here   again →
earth waits → plan on radio tonite

when the sun is over tokyo, empty mind and
float to me in sleep. no, its not quite
dream.

yes its much nicer there
here, we're just two human beings
yes its much nicer there

here we clink just like machines
