F why do i feel so unwelcome here?  
F called your house for your <sup>new</sup> number -  
they wouldn't give it to me.

F was it somethin i said to you was it  
F something i did - is it a crossed wire  
complication i've blown up inside my head? (etc...)

(why can't god make the right thing the easy thing?  
why is the way to goodness paved with so much pain?) Wrong  
Sorry

no, no doubt nod, you clearly don't  
understand me - F no, no doubt  
apologize don't feel ya owe me \*piece?  
this stupid \*taste of "sanity's" candy -  
i wish i could oblige - (ya.)

4 although [break tel-tones]

5 we can't experience the same illusions -  
why ~~would~~ am i right or did i hear you sigh?

we can't swing the entire revolution  
[or would you want to?] would you like to try?  
do you wanna try?

~~walked~~ walked to the water's edge <sup>enemy to protect the water</sup> (just to find water)  
 thrown through the forest hedge  
 i ask again - i beg my friend release me

6 other vocal form hinted at on D.A.T. version  
 [8 bars]

8 how many times have i promised forever only to find that forever would never be —  
 i cant believe my ~~last~~ self - now i promise ~~that~~ ill  
 new promise forever ~~my~~ ever again - but here i go my love... ~~i love you forever~~

6 8 bars ill love you forever

7 i walked to the water's edge - ~~just~~ only to find: water - thrown through the forest hedge  
 i ask again - oh i beg my friend believe me
