the bag with no ears
the bag with no mouth
lying in his bed next to you but he
~~wants to figure it out~~ can't quite figure it out...

holding hands by the fireside
on ~~the~~ ~~just~~ ~~25~~ 51 Pearsi

a milestone for us - or was it just me?
all the things you told me - were they true
were you just visiting another world
that disappears as soon as you're out of view?

what your lips have got to give
but you've got to jettison ... something
