INTO THE RACE INTO THE WIRE

REGARDLESS OF THE
SITUATION YOU MIGHT FIND
YOURSELF

REGARDLESS OF THE SITUATION
IN WHICH YOU'RE SWIMMING
WHEN THE DEPTH CHANGE
COMES

WHEN THE BUSHING
WILL YOU BE ABOVE GROUND

(E1)
WHERE WERE YOU WHEN
IT ALL WENT DOWN

(C2)
WHERE WILL YOU BE
WHEN IT ALL GOES DOWN?

(C3) ARE YOU HERE - NOW
THAT IT'S ALL GOING DOWN?

SPARKS

v1
grew up in the small towns
with small ideas easy to buy
prepare yourself for the storm now
my words play games but they never lie

rising up from the vector ocean
peering up at the raster sky
slaves to repetitive motion
we click on through but we can't say why

c1
sparks unto you
~~battle through the fear~~
sparks unto you
my headlight for the deer

here we've all got two tongues
~~one for diving~~ one to dive the other flies
souls wrapped in layered sound
where were you when it all went down?

v2
rising up from the vector ocean
peering up at the raster sky
we're gonna calibrate this whole damn town
are you here- cause it's all going down

sparks unto you
~~battle through the fear (knock you into now)~~
sparks unto you
my headlight for the deer

c2
sparks unto you
you'll know when you're near
sparks unto you
when butterflies appear

When the silence comes
it hits you like a down
feel the silence come...
