SOMEONE

All the Leftover feelings, watching the window for a
way to see a life from
All the visions of long ago.
— Met him Off on the corner
Destined for the list parade, knock on the door
~~for a change of memories~~
for the sound of our ~~footsteps~~ escape.

Someone passed us over. ~~over~~ ~~despair~~ ~~and~~ another
~~of excess despair~~ ~~scary~~ ~~Upside down~~ ~~seemed~~.
Someone passed us over
For the sunshine ~~in the morning~~
And another field of dreams
on the way

~~Four seasons locked in the heat~~
~~Like to capture all the~~

weighing on our hearts
All the Leftover meaning, ~~hanging~~ like rotting rain
~~and~~ melodic ceiling Wave
a banner of our ghost days.

Catch us if you can, you're the someone
I can't stand 2x
Catch us if you can, you're the someone
on my hand
Catch as catch can, ~~you~~ you're
a flower in the sun
